Details of corrections and amendments

Addendum Notice 2 : Corrections/modifications to the Initial Selection Documents

The following corrections have been made in the respective Invitation for Initial Selection & Initial Selection document of Package No. **CMSP-5/W1** (Invitation Ref. No. 46.06.0000.302.007.19.2023-240, Date: 09.05.2023). In this connection-

- a) Criteria 4.2.1 Contracts for Works: Design and Build of STP of the Initial Selection Document will be superseded with the following:

“Minimum of three (3) Design and Build contracts, each of minimum value of *Thirty million EUROS (30,000,000 EUR)*.

Each of the contracts required above shall meet the following minimum key requirements:

-Design and construction of Sewage Treatment with a capacity of at least *thirty Thousand (30,000 m³/d) cubic meter per day including Activated Sludge Treatment and at least one contract requiring specialized foundation works (deep foundations, ground improvement, etc.)* .

At least one contract should be outside of the contractor's country of incorporation with similar climatic and geological conditions”

- b) Criteria 4.2.2 Contracts for Works: Design and Build of micro tunneling/pipe jacking for installation of trunk sewer of the Initial Selection Document will be superseded with the following:

“Minimum of two (2) design and build contracts, each of minimum value of ten million Euros (10,000,000 Euros)

Each of the contracts required above shall meet the following minimum key requirements:

Experience in micro tunneling/pipe jacking for reinforced concrete/glass fiber reinforced pipes (GRP)/any other pipes installation with a minimum *DN1000* at a depth of at least *8m and above* for a length of *1000 meter* in similar geological conditions.”

- c) Criteria 4.2.3 Contracts for Operation of Plant of the Initial Selection Document will be superseded with the following:

“Minimum of two (2) operation and maintenance contracts, each with a duration of at least two (2) years to similar proposed works.

For the sake of clarity, similar contracts are O&M contracts, for treatment of Waste water, with a capacity $\geq 50,000 \text{ m}^3/\text{d}$ for 2 or more years involving sludge treatment and disposal, at least one contract should be in similar tropical climatic conditions, including technology and other characteristics as described in Part 2 – Section VII – Scope of Works.”

- d) Para 8 of the Invitation for Initial Selection will be superseded with the following:

“8. Applications for Initial Selection should be submitted in sealed envelopes, delivered to the address below by July 16, 2023 at 1300 hours (Bangladesh Standard Time) physically (in person or by mail) and be clearly marked “Application to Initial Selection for Design, Construction, Supply, Installation, Testing and Commissioning of 50,000 m³/d Sewage Treatment Plant and Associated Works for North Kattoli Catchment of Chattogram Metropolitan (Package No.: CMSP-5/W1).”

- e) Section-II- ISDS Clause ITA 17.1 & Clause ITA 19.1 of the Initial Selection Document will be superseded with the following:

ITA 17.1	<p>The deadline for Application submission is: Date: July 16, 2023 Time: 1300 hours (BST) (GMT+6 hrs) Applicants shall not have the option of submitting their Applications electronically. For application submission purposes only, the Employer's address is: Employer's address is the same as that indicated in ITA 7.1 Telephone: +88-031-614322, Electronic mail address: ariful.cwasa@gmail.com Submission of Applications is allowed in not more than one location</p>
ITA 19.1	<p>The opening of the Applications shall be at: Date: July 16, 2023 Time: 1400 hours (BST) (GMT+6 hrs) Address: Office of the Superintending Engineer (Planning & Construction) Chattogram Water Supply and Sewerage Authority (CWASA) Chattogram WASA Bhaban, 2nd Floor (Room no. 311), Dampara, Chattogram, Bangladesh.</p>

The other provision of the Invitation for Initial Selection & Initial Selection Documents remains unchanged.
